WORK EXPERIENCE

Inner Child, Operations and E-Commerce Intern, New York, NY *May 2025 – Present*

- Operated in a chief-of-staff role to the founder of a high growth home decor and textiles start-up with 400+ wholesale buyers across the country, a DTC business, and retailers across the US (e.g.: LL. Bean, Anthropologie, MoMA Design Store)
- Lead e-commerce website audits of Shopify and Faire product listings by leveraging Excel to identify and correct data discrepancies across a dataset of 500+ products, improving data integrity and quality
- Moderated daily warehouse fulfillment flow across all e-commerce platforms and organized all the warehouse receiving documents
- Managed the operations and order process flow for Faire wholesale and daily DTC orders. Supported outbound/inbound sales and outreach via e-mail and through trade shows like Shoppe Object and markets
- Managed data integrations and logistics for brand launches on 3P platforms (Minted, Over the Moon, Zola)
- Managed and resolved customer service queries across e-mail and wholesale platforms within 24 hours of first contact
- Built e-commerce and marketing collateral through taking photographs and editing in Lightroom, Photoshop and Canva

Bates College Digital & Computational Studies Program, Teaching Assistant, Lewiston, ME *Jan 2025 – May 2025*

- Advised an Introduction to Computer Science class of 30 students by leading weekly coding review sessions, reinforcing Python programming fundamentals (e.g., data structures, functions) and best practices for debugging

Trinity Jubilee Center, Community Intern, Lewiston, ME *July 2024 – Aug 2024*

- Served 1K+ community members every week by distributing toiletries, plating lunches, and performing data entries via Excel and Caseflow, developing strong resource management and client-facing skills
- Facilitated the Refugee Integration Program by aiding 120+ clients with resume-writing, job applications, and providing guidance on job search strategies

COMMUNITY ENGAGEMENT AND LEADERSHIP EXPERIENCE

Matriculate, Advising Fellow, Virtual *Dec 2023 – May 2025*

- Spearheaded 60 biweekly virtual advising sessions for 4 high school students, providing personalized guidance on college selection, application strategies, and financial aid options

Bates College Consulting Club, Vice President, Lewiston, ME *Sept 2023 – May 2025*

- Delivered 10 bi-weekly presentations on case solving and industry dynamics to prepare students for consulting, sharing recruitment insights and gathering a combined 120+ attendees
- Moderated 5 panels and coffee chats with industry professionals across business and nonprofit consulting firms

Bates College Tea Club, Vice President, Lewiston, ME *Sept 2023 – May 2025*

- Managed Bates’ largest entirely student-run club’s educational program, logistics, and marketing efforts for 15 biweekly events, including Oolong, Sri Lankan, and fall-inspired tea tastings
- Developed and implemented strategies to promote the club’s mission and ensure the sustainability of club activities in the long run, recruiting 250+ new members at the 2024 annual club fair and hosting 12 collaborative events

HONORS AND AWARDS

American Statistical Association Datafest, *Best Data Visualization Award* *April 2025*

- Collaborated in a 48-hour data hackathon to analyze a complex real-world dataset containing 190K+ entries from Savills, exploring trends in the U.S. commercial real estate landscape
- Designed 3 interactive, insight-driven graphics in a team of 3 using R and Python that earned the Best Data Visualization Award for strong clarity and analytical depth
